2021

Network Plus Training Center

IT Technical Support & Lab Instructor

- Providing Assistance And Help To Students On Labs.
- Teaching CCNA Courses.
- Teaching HCIA Courses.
- Providing Technical Support.

EDUCATION

2017 - Present

Bachelor of Computer Science

Omdurman Islamic University

CERTIFICATES

JNCIA, JUNOS

Juniper Networks | August 2023 - Present

CTT+ WRITTEN

CompTIA | September 2022 - Present

NSE4

Fortinet | January 2022

HCIA TRANSMISSION

Huawei | May 2021

HCIP (R&S)

Huawei | July 2021

HCIA (R&S)

Huawei | February 2020

COURSES

MCSE

Networkplus Training Center | June 2022

Windows Server 2019 all related topics from Versions, Installations, types of installations, AD, storage & files with configuring local storage and Implementing storage spaces, Remote Access & implementing DFS, Creating & managing deployment images, WSUS, policies, users computers & groups.

SECURITY+

Network Plus Training Center | March 2022

Equivalent knowledge of CompTIA Security+.

CCIE-ENTERPRISE

Network Plus Training Center | February 2022

Equivalent Knowledge of Cisco's CCIE Certificate.

HCIA WIRELESS

Network Plus Training Center | September 2021

Equivalent Knowledge of Huawei HCIA Wireless Certificate.

CCNP-ENTERPRISE

Network Plus Training Center | December 2020

Equivalent Knowledge of Cisco's CCNP Certificate.

CYBER SECURITY LEARNING PATH

INE | June 2019

Online ine course in cybersecurity that gives the basic concepts and practices of penetration testing & prepare you for the eJPT certification.
